

## LKSOM Presents No Shave November

*To Bring Awareness & Hairiness To The Community*

In support of the PA Chapter of the Head and Neck Cancer Alliance

---

**NOVEMBER 1<sup>ST</sup> – DECEMBER 1<sup>ST</sup>**

### **A TEMPLE COMMUNITY EFFORT TO COMBAT HEAD & NECK CANCER**

No Shave November originally began as an annual event to raise awareness for prostate cancer. Men would grow their facial hair out to raise money from friends and family in the process. Today, the similar efforts are used to fundraise for general cancer research.

Those joining the cause with the Lewis Katz School of Medicine at Temple university can make a pledge to leave their facial hair ungroomed for the duration of the month of November. During this time, participants will raise money for the PA Chapter of the Head and Neck Cancer Alliance through communal donations as well as fundraising events. On December 1<sup>st</sup>, we will gather together to celebrate the good everyone has accomplished and appreciate the facial hair of our peers. Females community members interested in participating can place their support behind male candidates. In addition, at the final celebration banquet there will be multiple events including a best mustache competition and best “mockstache” competition judged by Dr. Larry Kaiser and other faculty.
