Faculty

Matthew P. Wicklund, MD

- Professor of Neurology and Pediatrics
- Vice Chair for Neurology
- Penn State College of Medicine
- Department of Neurology
- Hershey, PA

R. Scott Turner, MD, PhD

- Professor of Neurology and Director of Memory Disorders Program
- Georgetown University Medical Center
- Washington, DC

Aaron E. Miller, MD

- Professor of Neurology
- Icahn School of Medicine at Mount Sinai
- Medical Director
- The Corinne Goldsmith Dickinson Center for Multiple Sclerosis Mount Sinai Medical Center
- New York, NY

Daniel Freidman, MD

- Assistant Professor
- Department of Neurology
- NYU Langone School of Medicine
- New York, NY

Jill Farmer, DO, MPH

- Assistant Professor of Neurology
- Director, Parkinson's Disease & Movement Disorder Program
- Drexel Neuroscience Institute
- College of Medicine
- Drexel University
- Philadelphia, PA

Stephen D. Silberstein, MD

- Professor
- Department of Neurology
- Jefferson Headache Center
- Philadelphia, PA

Amy A. Pruitt, MD

- Professor of Neurology and Vice Chair for Education
- Perelman School of Medicine at the University of Pennsylvania
- Philadelphia, PA

Ricardo A. Cruciani, MD, PhD

- Professor and Chairman
- Department of Neurology
- Director, Center for Comprehensive Pain and Palliative Medicine
- Drexel Neurosciences Institute
- Philadelphia, PA

Jonathan P. Hosey, MD, FAAN

- Chief of Neurology
- Chairman, Department of Neuroscience
- St. Luke's University Health Network
- Bethlehem, PA
- Professor of Neurology
- Lewis Katz School of Medicine at Temple University
- Philadelphia, PA

Sudhansu Chokroverty, MD, FRCP

- Professor and Director of Sleep Research and Co-Chair Emeritus of Neurology, JFK
- Neuroscience Institute, Edison, NJ
- Professor of Neuroscience, Seton Hall University, South Orange, NJ
- Clinical Professor of Neurology, Rutgers Robert Wood Johnson Medical School, New Brunswick, NJ

Paul G. Mathew, MD, FAHS

- Director of Visiting Scholars Program
- Brigham and Women's Hospital
- John R. Graham Headache Center
- Staff Neurologist
- Harvard Vanguard Medical Associates
- Cambridge Health Alliance

Brad C. Klein, MD, MBA

- Chief Operating Officer
- Abington Neurological Associates, Ltd.
- Willow Grove, PA

Livija Medne, MS, LCGC

- Senior Genetic Counselor
- Co-Director of the Individualized Medical Genetics Center
- Children's Hospital of Philadelphia, PA

Jyoti Pillai, MD

- Clinical Associate Professor, Department of Neurology
- Drexel Neurosciences Institute
- Drexel University College of Medicine
- Hahnemann University Hospital
- Philadelphia, PA

Terry Heiman-Patterson, MD

- Professor of Neurology
- Vice Chair, Department of Neurology
- Director of the Division of Neuromuscular Diseases
- Director of the MDA/ALS Center of Hope
- Drexel Neurosciences Institute
- Philadelphia, PA

Qaisar Shah, MD

- Director, Neurointerventional and Neurocritical Care
- Neurosciences Institute
- Consultant, Abington-Jefferson Hospital

Michael Sperling, MD

- Baldwin Keyes Professor of Neurology
- Vice Chair for Research
- Thomas Jefferson University
- Philadelphia, PA

Stacey L. Clardy, MD, PhD

- Assistant Professor of Neurology, Division of Neuroimmunology
- University of Utah
- Director, Autoimmune Neurology Fellowship
- Staff Neurologist, Salt Lake City VA
- Salt Lake City, UT

Lauren Weaver, MD

- Child Neurology Fellow, PGY-4
- St. Christopher's Hospital for Children

- Philadelphia, PA

Glen R. Finney, MD

- Faculty
- Department of Neurology
- Geisinger Health System
- Danville, PA

Grant Niver

- Program Manager, State Affairs
- American Academy of Neurology
- Minnesota State Director
- Parkinson's Action Network

Purpose

The purpose of this program is to raise awareness of and disseminate knowledge about developments in the care of people with neurological conditions.

Audience

Physicians, health care providers and medical students involved in the management of neurological diseases can benefit from attending this program.

Objectives

At the conclusion of the program, participants should be able to:

- Identify the challenges with current maintenance of certification (MOC) process and describe alternatives.
- Describe different treatment options in epilepsy including the role of surgery in patients with epilepsy; understand the different health issues in women with epilepsy.
- Explain updates in migraine treatment and management, ALS, CRPS and movement disorders.
- Describe advancements in neurological care of patients with primary and metastatic brain tumors.
- Describe advancements in acute stroke management.

.....

Cancellation Policy

St. Luke’s University Health Network reserves the right to cancel or postpone any course or activity because of insufficient enrollment or other unforeseen circumstances.

If a program is canceled or postponed, St. Luke’s University Health Network will refund registration fees but cannot be held responsible for any related costs, charges, or expenses, including cancellation/change charges assessed by airlines, hotels, or travel agencies. Preregistered participants will be notified if a program is filled or canceled.

Cancellations made 8 days, or more, prior to the event start date will receive a refund of 90%.

Cancellations made within 3 – 7 days prior to the event start date will receive a refund of 80%.

No refunds given for cancellations made within 2 days of the event start date.

Access

St. Luke’s encourages persons with disabilities to participate in its programs. If you anticipate needing any type of special accommodation or have questions about the physical access provided, please contact Kris Levine at 484-526-5226 or kris.levine@sluhn.org.

Conflict of Interest

It is our policy to ensure balance, independence, objectivity, and scientific rigor in all of our educational programs. Faculty and course directors have disclosed relevant financial relationships with commercial companies, and St. Luke’s has a process in place to resolve any conflict of interest. Complete faculty disclosure will be provided to program participants at the beginning of the activity.

Accommodations

Accommodations are the responsibility of the program participant.
